

## OBITUARY

### Prof. Dr. Anwar Kamal

MBBS (DOW), M. Phil (Kar)

Professor Dr. Anwar Kamal, Professor and Head of Physiology Department at University Medical and Dental College, The University of Faisalabad has passed away on 11<sup>th</sup> of April 2018 at the age of 56 years due to a sudden cardiac arrest. He was laid to rest in Ghulam Muhammad Abad graveyard in Faisalabad City.

إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ.

Besides heading the Physiology Department, Professor Kamal served as Director Quality Enhancement Cell of The University of Faisalabad. He was a learned person, a great academician and played a vital role in enhancing the quality of studies in the university. Being the Chairman of TUF Sports Society he always encouraged the students to think out of the box and involved them in co-curricular activities besides studies.

Dr Kamal did his MBBS from Dow Medical College and M. Phil Physiology from Karachi University. He was pursuing his PhD in Physiology from Ziauddin University Karachi. He served in many top medical colleges and universities of this country. He was a member of editorial team of Journal of University Medical & Dental College, member of Pakistan Physiological Society, South Asian Association of Physiologists, and collaborator of DANA Brian Organization, New York.

An extremely humble person, a great philosopher, excellent poet, an artist, a motivator, a counsellor, always bringing innovations and saying that emotional intelligence is far important than intelligence quotient. He had a great insight in sociopolitical issues at local and international level. He was a man of high intellect and seeding great ideas wherever he spent time.

The entire physiology community, his students, colleagues and family members are deeply grieved on his sudden demise and pray to Allah Almighty to take the departed soul to his heavenly abode at a high place. Aameen!
