Pakistan Journal of Physiology, (Pak J Physiol, PJP) publishes original research papers in all areas of human and animal Physiology. It is recognised by Pakistan Medical & Dental Council, and HEC. It is indexed by EMRO Index Medicus, Index Copernicus, Pakmedinet, and Index Pakistan. All articles published, including editorial, letters, and book reviews represent opinion of the authors and do not reflect the official policy of PJP, Pakistan Physiological Society, or the Institution with which the author is affiliated, unless it is specified. All submissions are electronic to reduce manuscript delays. For details, authors should consult the instructions to authors at the end of every issue. Pakistan Journal of Physiology is self-supported by the authors.

© Copyrights reserved. It is free for research and academic purposes with due citation reference to Pak J Physiol. The publication is licensed under a Creative Commons Attribution-NonDerivatives 4.0 International License.

CONTENTS**EDITORIAL**

- Why is medical M. Phil (Pak) being disregarded?** 1
Tehseen Iqbal

ORIGINAL ARTICLE
