Webinar Conducted: 09

1. **Regional** Scientific Seminar on Digitalizing Physiology Teaching and Learning, December 13 2022
2. **Regional** Scientific Seminar on Novelties in Physiology clinical/applied skills, Tuesday, 17th January, 2023
3. **Regional** Scientific Seminar on Curricular Reforms in Physiology, Curricular Reforms in Physiology, Wednesday, 22th February, 2023
4. **Regional** Scientific Seminar on Fasting & Human Physiology, Tuesday, 14th March, 2023
5. **International** Scientific Seminar on Effects of Climate change on Human Physiology, Wednesday, 31 May, 2023
6. **International** Scientific Seminar on Physiology skill not limited to Physiology Laboratories, Wednesday, 21 June, 2023
7. **International** Scientific Seminar on Pathophysiology of Cardio Vascular & Pulmonary diseases, Wednesday 19th July 2023
8. **Regional** Scientific Seminar on Pathophysiology of Gastrointestinal, Hepatobiliary, Renal & Body Fluids, Wednesday 16th August 2023.
9. **Regional** Scientific Seminar on Pathophysiology of Endocrine disorders, Wednesday 13th September 2023.

01st REGIONAL SCIENTIFIC Webinar

PAKISTAN PHYSIOLOGICAL SOCIETY

Tuesday, 13th Dec, 2022

TITLE: "DIGITALIZATION OF TEACHING & LEARNING IN PHYSIOLOGY

"Brief Introduction of Speakers

Program details:

S#	Time	Speakers	Topics
1.	10:00 am	Tilawat	
2.	10:05 am	National Anthem of Pakistan	
3.	10:10 am	Prof Dr. Umar Ali Khan President PPS, Pro-Vice Chancellor, Isra University Islamabad.	Introduction & welcome
4.	10:15 am	Presentation by Prof Maj.Gen.(Retd) Dr.Muhammad Aslam Ex. Vice Chancellor, University of Health Sciences Lahore & National University of Medical Sciences Islamabad	Overview of Digitalization of teaching & learning in Physiology
5.	10:25 am	Presentation by Prof Dr.Salma Kundi	Teaching, learning and assessments by technology
6.	10:40 am	Presentation by Prof Dr.Samina Malik	Use of technology in Physiology
7.	10:55 am	Presentation by Prof Dr.Arsalan Uqaili	Digitalization in the form of online courses, online exams, communication for jobs
10	11:10 am	Questions & Answers Session	
11	11:20 am	Shields Distribution	
12	11:30 am	Tea

ASU Best Research Award

Annexure: XII

ASU-Best Researcher Award

Introduction

ASU award is started to pay tribute Prof. Dr. Shahnaz Javed Khan, Ex Professor of Physiology King Edward Medical, Lahore, Professor Muhammad Aslam, Ex Vice Chancellor, University of Health Sciences, Lahore. Both are very well reputed physiologists. Dr. Umar Ali Khan is privileged to be a student of both. We hope that this award will help to develop strong research culture in Pakistan.

Award summary

One Physiologist will be awarded annually based upon a distinguished record in research. The physiologist member must have contributed a meaningful amount of their work while a member of Pakistan Physiological Society (PPS).

Nominees will be evaluated on their quality of work over their academic career, and this evaluation will be based on the records and the supporting materials the physiologist members are asked to submit.

The award will be bestowed upon the recipient at the Honor the Best Ceremony and the recipient will receive an award amount of PKR 25000-00 (PKR: twenty-five thousand only).

Selection committee and timeline

Nominees will be evaluated by a five-member committee. President PPS will be the chair of the committee; General Secretary of PPS will be the coordinator of the committee other three members will be nominated by the President PPS.

Research Award announcement calling for nominations February each year.

The **deadline for nomination will be last August 31 each year**. The recipient will

be notified by the **last week of September** and receive the award in the **last week of October** every year.

Nominee eligibility

Only one physiologist member may be nominated from each department. Nominees may be re-nominated for up to four years.

Who can nominate?

Nominations may be submitted by any member of the PPS. However, since only one nominee from each department is accepted into the pool, Department Chairs will have the final determination as to which physiologist member from their department will be nominated each year.

How to nominate/re-nominate

Each new nomination must contain a formal letter of nomination and current curriculum vitae of the nominee. The formal letter must provide updates on the information contained in the original nomination letter if re-nominating.

These materials need to be **submitted to the ASU Research Award Committee by August 31 each year.**

Nomination letters MUST contain the following information:

1. The nomination letter must indicate the significance (the nominee's contribution to and impact upon their field of study), volume and quality of the nominee's research, scholarly or creative activity in such a way as to clarify the nominee's activities for individuals from other disciplines.
2. The letter must show that a substantial amount of work has been accomplished with recognition given to the University. This work could include but is not limited to peer-reviewed publications, books, public presentations at major institutions nationally and internationally. The letter should indicate an ongoing, stellar rise in notable accomplishments.
3. The letter must demonstrate clear evidence of the national or international stature of the nominee's research. The evidence should reflect recognized evaluations in the form of critically reviewed papers, presentations, books, monographs, and other forms of scholarly and creative activity or recognition (e.g., invited presentations, awards, honors). A complete listing

of these should be provided in the nominee's curriculum vitae, which must be attached to the letter of nomination.

4. A copy of the nominee's complete curriculum vitae must be attached. It should list all the nominee's accomplishments including but not limited to publications and lectures, that clearly highlight the extent of peer reviewed work.
5. In areas where research, scholarly or creative activity grants and contracts are an important part of the research effort, there must be clear evidence that the nominee has been competitive for such grants at the national and/or international level. If possible, the importance of the grant and/or award should be stated.

Supplemental materials

Nominees are asked to provide the following materials, and those who are re-nominated may update these materials, if they choose to do so.

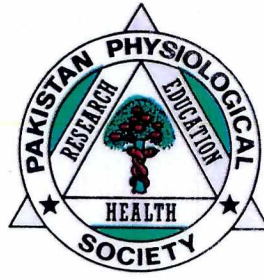

1. **No more than three** examples (reprints or copies) of significant published works that the nominee feels are representative of his or her research accomplishments.
2. A list of grants and contracts received, indicating the project title, name of grantor, amount of grant, beginning and termination dates, and the nature of the competition for the grant.
3. A list of students and post-doctoral fellows who worked with the nominee on research projects. For each individual, indicate if she/he was a post-doctoral fellow or a student pursuing a doctoral, masters, or undergraduate degree.
4. **No more than three** reviews, adjudications or testimonials conferred by persons who audited the original work.
5. **No more than three** names, addresses, and phone numbers of additional persons whom the committee may contact about the nominee's achievements.

Submissions

Email your completed nominations to email; imranrare@gmail.com
